To reach club/society program responsibilities levels, a variety of Category I events is required. For instance, to meet Gray tier, three different types of Category I events are required, out of the seven. When hosting a series of the same type of event, for instance a networking series, the entire series only counts as one type of Category I when measuring the club/society level. All clubs must hold a game watch, scholarship fundraiser and at least two board meetings on an annual basis, while societies must complete the latter two.
