

Program of the Year Award

The 2017 Program of the Year award celebrates a programming initiative that is superior to all others. Up to three club programs *and* up to three society programs will be chosen for this award. Each group may nominate more than one program, but can only be recognized once. This program should advance the mission and values of The Ohio State University Alumni Association, Inc. and the university as a whole. This program must be considered a *category I event* and occurred in the past fiscal year. The event must be solely planned and executed by and support the goals of the alumni group. Successful applications will demonstrate:

- Feedback and lessons learned from the event
- How the event strengthened the relationship between OSUAA and the group (and if resources provided by OSUAA were utilized)
- How the group met their goals for the event
- How the event helped to broaden awareness for Ohio State
