Scarlet and Gray tier statuses for FY21

As 2020 comes to a close and we look forward to 2021, we want to thank those of you who have embraced virtual programming. As a reminder, the requirements for Scarlet and Gray tier levels will remain the same for club and society recertification at the end of the fiscal year.

Reporting events and meetings

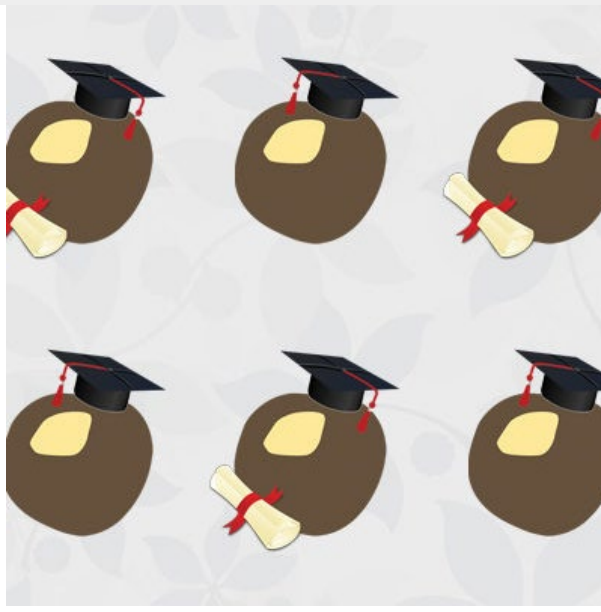

Please remember to submit all board meeting minutes and event evaluations through Docusign within 30 days of your meeting or event. One of our organizational changes for the current fiscal year is that these materials must be submitted on time to count towards your tier status. For reference, we've created a timeline guide to help your group stay on top of reporting, communications requests and more.
