Suncoast Alumni Club
Annual Banquet

Time is running out to RSVP for the Suncoast Club Annual Banquet, June 18th at the Florida Aquarium - Channelside in downtown Tampa. Cocktail hour will start at 5:30 with self-guided tours of the aquarium. Dinner and program will be from 6:30 – 9:30. We will be honoring this year’s Scholarship recipients.

Our guest speaker is Tyson Gentry, a member of the 2006 OSU football team. Tyson's life changed in a split second.... during a routine play, he caught a pass over the middle of the field and landed awkwardly as he was tackled, leaving him paralyzed from the neck down. Determined not to let his disability prevent him from living a fulfilling life, Tyson and his wife Megan started New Perspective Foundation, a nonprofit organization focused on assisting/encouraging individuals affected by disabilities, as well as educating others on the stereotypes associated with disabilities.”

Club hosts Buck-I-SERV

Buck-I-SERV Alternative Breaks are weeklong, substance-free programs centered on community service and civic engagement. Twenty exhausted Buck-I-SERV students joined members of the club at “The Lube” to enjoy “All you can eat Wing Night”. The students travelled down to Tampa Bay from Columbus to work for 4 days with Florida Aquatic Preserves. They spent their days on the islands off Dunedin clearing brush and cutting down trees to help preserve and beautify our coastal islands.

The mission of Buck-I-SERV is to provide students with a challenging and engaging opportunity to lead and learn through direct service experiences. We invite you to join us on the next Buck-I-SERV visit.

Wing Night with the Buckeyes

High school seniors from Pinellas and Hillsborough County who have been accepted for Fall entrance to The Ohio State University had the opportunity to meet with Gustavo Stile, OSU Admissions Counselor at Quaker Steak & Lube. The evening dinner included a presentation “First Year Experience at Ohio State”, alumni panel discussion, financial aid opportunities, and calling Columbus and Ohio State home. It was a great evening for these future Buckeyes.

Buckeyes Spring Game Watch

A good crowd was in attendance at Quaker Steak & Lube and O’Brien’s to watch a preview of the 2016 Buckeyes. Ohio State’s football program set a national spring game attendance record when 100,189 fans showed up to Ohio Stadium to watch the glorified scrimmage.
